## SPECIAL OCCASION CAKES & CUPCAKES:

Cakes @ Pint Size are made just to order, from scratch & with our signature American buttercream frosting. Our round layer cakes are 3-4 layers of cake & buttercream, almost 5" tall & come with free sprinkles!! Cake prices include 1 flavor of cake & 1 flavor of buttercream, a single color of frosting, basic design & inscription. Extra delicious options & premium flavors are additional. ## EVENT POLICIES & F.A.Q's:

We can deliver in the Metro St. Louis area on any order over \$100 depending on availability & schedule.

Delivery : \$50 & up Set up : \$75/hour

Pint Size doesn't offer traditional "tastings", but we simply suggest that you stop in during business hours to buy a cupcake or two if you are thinking of ordering cake. We have a large variety of cookies, tea cakes & more available each day for those considering a sweets table assortment. Call ahead for specific flavors & to check availability.

Ask for a copy of our event contract to view our wedding policies in more depth

We do not offer cake stands or platter rental for events at this time.

Take into consideration that we are a small bakery & we tend to book up early for cakes & weddings. We are often full for cake orders a week or two in advance for Saturday pickup. The more notice you give us, the better :) Wedding deposits & contracts are accepted at up to 6 months from your reception date, but we will work with you on a quote and information gathering whenever you are ready.

Please remember that this is a guideline, not a guarantee!!! We take as many orders as we can handle but we are limited to what our bakers (and ovens!) can physically produce.
